

SERGEANTS HELP WITH THIRD WAR BOND DRIVE

These sergeants, who have seen plenty of action in various overseas theaters of war, were materially of much assistance in helping stage Geiger Field's effort to raise money in the Third War Bond drive. Those ribbons show you their decorations. Left to right, they are T/Sgt. Francis O. Benfield of Myrtle Beach, S. C. He was in England and North Africa and has the D.F.C., the Air Medal and seven clusters; S/Sgt. W. W. Mayhew, Asia and North Africa, and has Purple Heart, D.F.C. and Air Medal; S/Sgt. L. H. McKenzie, Grand Island, Neb., has D.F.C. and Air Medal for work in South Pacific; Sgt. Robert Davidson, who has a presidential citation, D.F.C., Air Medal, Purple Heart and Silver Star for work in the Southwest Pacific; S/Sgt. K. M. La Shells, Spokane, D.F.C., Air Medal and nine clusters for work in England and North Africa; T/Sgt. John Bianca, Spokane, D.F.C., Air Medal and nine clusters for work in England and North Africa; and S/Sgt. David Miller, Cincinnati, Silver Star, D.F.C., Air Medal and cluster for work at Midway and Southwest Pacific.

These men all appeared on the stage of the Fox Theater, Thursday, and were introduced at the big bond rally.
