

THE EXTRA SAFE FOLDING TRAILER

BY **ROLITE** INC.

ROLITE'S EXCLUSIVE new low design provides a low 48-inch height while traveling . . . yet with a push of the button and a twist of the wrist, is a full-size home on wheels in less than two minutes to sleep six at your favorite camping location. There's a 76-inch ceiling height so tall people can stand anywhere in the trailer. Over-all it's compact and convenient, being 16 feet long, 7 feet wide and weighing approximately 1880 pounds. Hitch weight is 240 pounds.
